Organogram

Vision:

To be a premier institution of excellence in the region that nurtures a holistic development of young minds by adhering to the integration of physical, aesthetic, practical, moral and intellectual education.

Mission:

- Creating an academic ambience to impart holistic education focusing on individual growth, completed with personal integrity, ethical values and social responsibility.
- Catering to the emerging societal needs through all round development of the students of all sections and enabling them to be globally competitive and socially responsible citizens with intrinsic values
- Enriching skill based learning through industry institution interaction to enhance competency and promote entrepreneurship.
- Fostering innovation and creativity through competitive environment with the state-of-the-art infrastructure

Objectives:

- To introduce and implement innovation in teaching and learning process to strengthen academic delivery
- To ignite the spirit of enquiry in the young minds
- To inculcate creativity and critical thinking in order to promote logical decision making
- To inculcate consistency, self-reliance and self-learning qualities in pursuit of careers
- To instill professional ethics, moral values and intra-personal & interpersonal skills that shape students into effective leaders
- To upgrade the faculty in curriculum design, teaching pedagogy, usage of ICT and various processes pertaining to academics and research from time to time.
